Organization Profile/Description

Formulated by Dr. Tori Hudson, Naturopathic Physician, Vitanica's professional line of nutritional supplements have been used in clinical practice since 1994. Dr. Hudson's specialty is women's health care and Vitanica formulas reflect her pioneering efforts in this field, from menstrual cycle support to pregnancy and menopause and everything in between. Dr. Hudson formulates based on immediate gynecology needs to situations affecting women more often or differently. Most of the products are suitable for all genders. Our extensive line delivers optimum therapeutic benefit and is available for health care practitioners and nutritionists. Meet the growing demand for information about natural healthcare and selected alternative therapies. We look forward to serving you and your patients.
